

TOYOTA

ToyotaCare
No Cost Service & Roadside

Let's go places.

Toyota drivers love to embrace new things and find new adventures. They just can't sit still. And proper vehicle maintenance is key to helping keep your Toyota safe, dependable and ready to explore. That's why we include a no cost maintenance plan with the purchase or lease of every new Toyota for 2 years or 25,000 miles, whichever comes first. 24-hour roadside assistance is also included for 2 years and unlimited miles. For all the details and exclusions, please call, visit online or stop by your local Toyota dealer today. Valid only in the continental U.S. and Alaska. Let's drive with confidence. Welcome to the ToyotaCare advantage.

2017 Corolla

COR_MY17_0059_V002

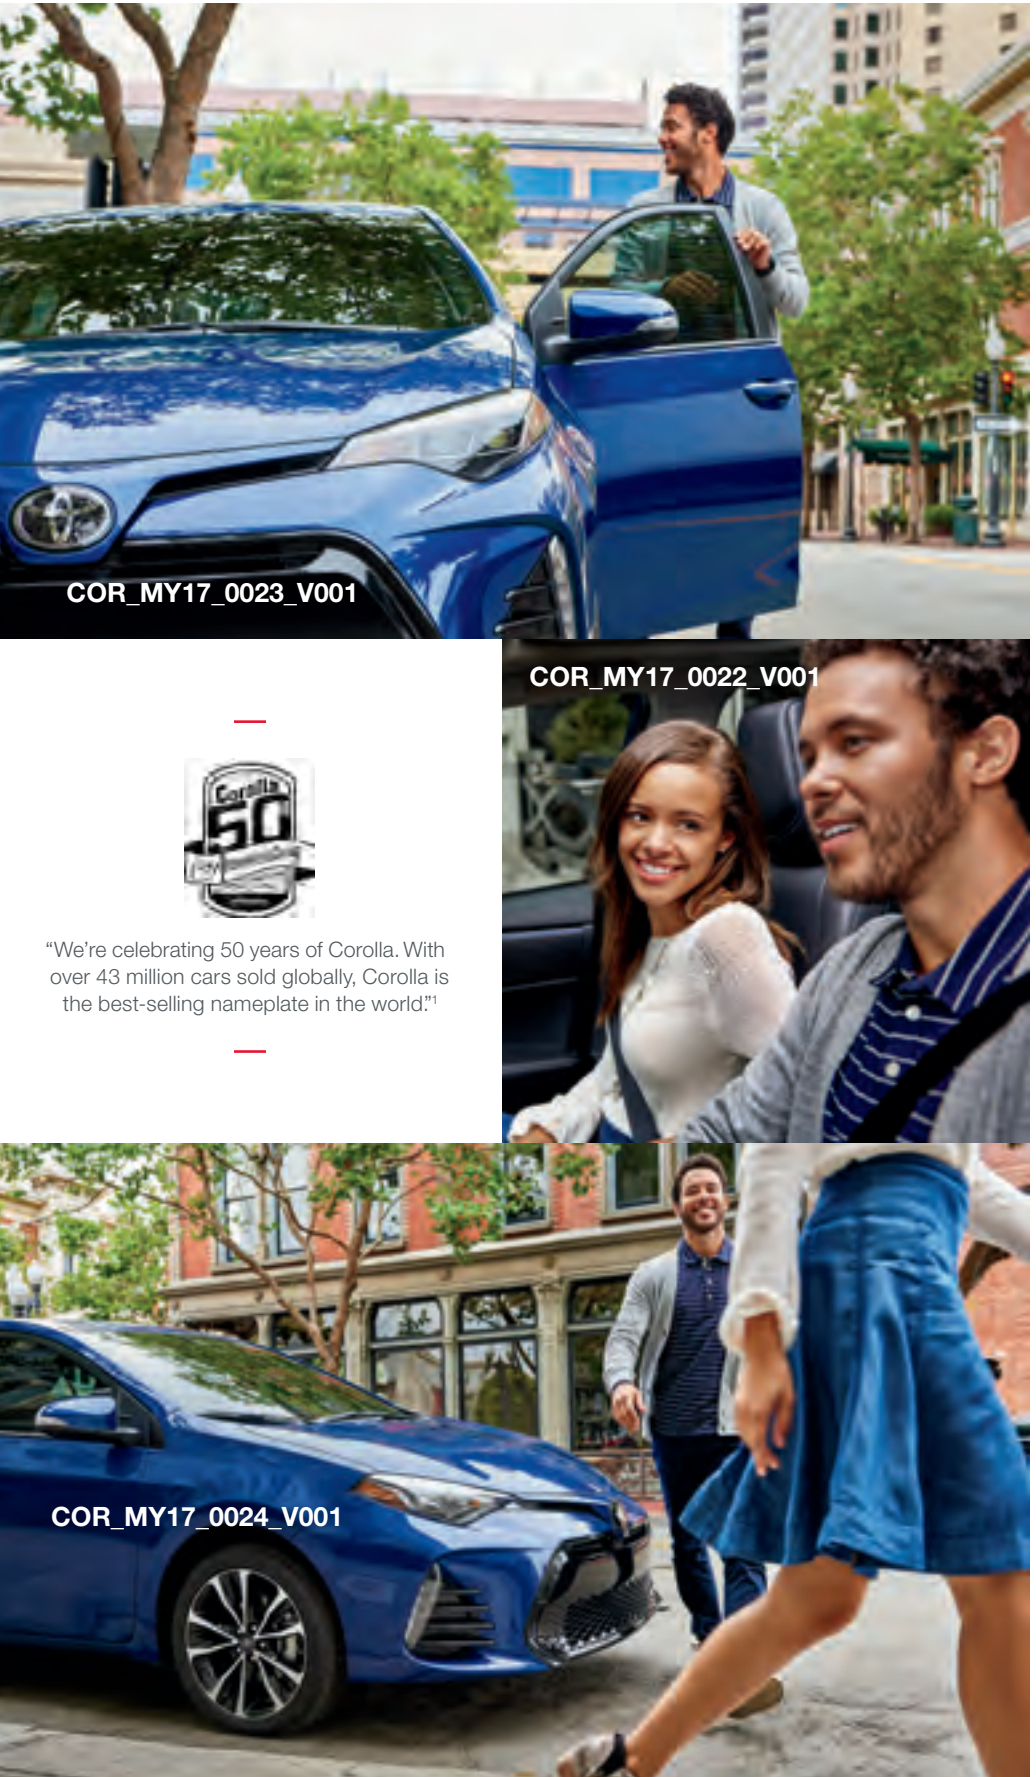

TOYOTA | **Let's Go Places**

Your next chapter starts here. The 2017 Toyota Corolla.

Let's keep driving toward that next big milestone. We're celebrating 50 years of Corolla, and the refreshed 2017 Toyota Corolla is made for those who refuse to settle for average. A restyled front end brings excitement to every street corner, and an updated interior offers premium new comforts. Exciting grades like Corolla SE and XSE show off this sedan's dynamic side, and models like LE Eco deliver impressive efficiency. It's the same intelligent thinking that has helped make Corolla the best-selling nameplate in the world! Here's to another 50 years of powering your next big dream. Let's go places.

SE shown in Blue Crush Metallic with available Premium Package.
See numbered footnotes in Disclosures section.

COR_MY17_0023_V001

"We're celebrating 50 years of Corolla. With over 43 million cars sold globally, Corolla is the best-selling nameplate in the world!"

COR_MY17_0022_V001

COR_MY17_0024_V001

STYLISHLY DESIGNED

Performance that thrills. And the style to match.

Sometimes it's okay to stop and stare. Like when you're checking out the refreshed 2017 Toyota Corolla. Its sleek shape takes design to the next level with features like distinctive LED Daytime Running Lights, available rear combination taillights with LED backup lights, and an available rear spoiler. What's more, its available 17-in. alloy wheels add a dynamic presence, ensuring this car's good looks just can't be ignored.

COR_MY17_0025_V001

LE Eco shown in Falcon Gray Metallic with available Premium Package and XSE shown in Barcelona Red Metallic.

High tech. High style. And the connectivity you crave.

Corolla's advanced cabin is equipped with technology that helps keep you connected. New steering wheel-mounted controls put the music, your phone and select new Toyota Safety Sense™ P (TSS-P)² features right at your fingertips. Standard Bluetooth[®] connectivity lets you wirelessly make phone calls and stream music⁴ from your compatible smartphone. Available Entune™ Premium Audio with Integrated Navigation⁵ helps you discover new restaurants, make reservations, and even tells you how to get there with turn-by-turn directions. Corolla's available high-resolution, 4.2-in. color Multi-Information Display helps you easily keep track of it all.

ENTUNE™ AUDIO PLUS
Easy-to-use features help you stay connected to your favorite music and more. The available Scout[®] GPS Link App⁶ even connects to your mobile phone to help provide turn-by-turn directions to wherever you want to go. Just pair your phone, and the directions appear on the 7-in. touch-screen.

INTEGRATED BACKUP CAMERA⁷
Corolla's standard integrated backup camera with projected path helps guide you into, or out of, those tight spots. When you shift into Reverse, the high-resolution touch-screen on the dash displays an image of what the camera sees behind you.

MULTI-INFORMATION DISPLAY
Keep track of the driving information you use most with Corolla's available Multi-Information Display. Customizable and easy to view from any angle, this colorful screen gives you the data you need at a glance. Keep track of your Lane Departure Alert (LDA)⁸ settings, incoming call info, current fuel economy, Dynamic Radar Cruise Control (DRCC)⁹ and more.

See numbered footnotes in Disclosures section.

COR_MY17_0026_V001

SE interior shown in Vivid Blue mixed media with available Premium Package.

COR_MY17_0051_V001

BLUETOOTH[®]
More music. Easier phone calls. No wires. Standard integrated Bluetooth[®] technology lets you take calls from friends and stream your entire music library⁴ without ever needing to take your phone out of your pocket.

ADVANCED VOICE RECOGNITION¹⁰ AND STEERING WHEEL CONTROLS
Corolla's steering wheel controls put your music and more right at your fingertips. With Corolla's standard advanced voice recognition, you can access the info you need just by talking. It's easy to use: Just press the button, give one of the supported commands, and you're done.

COR_MY17_0012_V001

USB PORT¹¹
Playlist-friendly. Plug your iPod[®] or MP3 device in and get instant access to your music library through the USB port, or stream music through Bluetooth[®] wirelessly. When it comes to being connected, you've got options.

COR_MY17_0052_V001

See numbered footnotes in Disclosures section.

SE interior shown in Vivid Blue mixed media with available Premium Package.

XSE interior shown in Black SofTex® trim.

Where comfort, style and inspiration meet.

Corolla's spacious cabin comfortably fits your friends, your gear and your next great idea. It's got room for five, so everyone can come along for the fun. When you're making even bigger moves, Corolla's rear seats fold down to help you carry those larger gotta-have items. It also has available features like automatic climate control and heated front seats, so not even Mother Nature can slow you down. It's comfort tailored to your lifestyle, and it's ready for whatever your day may bring.

60/40 SPLIT REAR SEAT

The 60/40 split rear seats on Corolla make it easy to transform the space to fit more cargo. Fold one seat down to get a little extra space; fold both, and you have a do-it-yourself flat-screen TV delivery space.

AUTOMATIC CLIMATE CONTROL

No need to worry about the weather. Just select an exact temperature level using the digital control, and the available automatic climate control will take care of everything else.

SMART KEY SYSTEM[®]

The available Smart Key System is a convenient piece of technology that lets you unlock the front doors and trunk, plus start Corolla, with just the push of a button — all while the key fob sits comfortably in your pocket or bag.

The hustle behind your hustle.

Corolla SE and XSE are made for those who live life in the fast lane, and for those who simply love to drive. Performance-inspired touches like steering wheel-mounted paddle shifters and a Sport Mode button ensure this sedan is always ready to show off its athletic side. When the roads get twisty, the contoured steering wheel and sport seats help ensure that you've got a solid grip on the fun. So buckle up. You've got the wheel — it's time to make some moves.

COR_MY17_0038_V001

SPORT GAUGE CLUSTER WITH COLOR MID

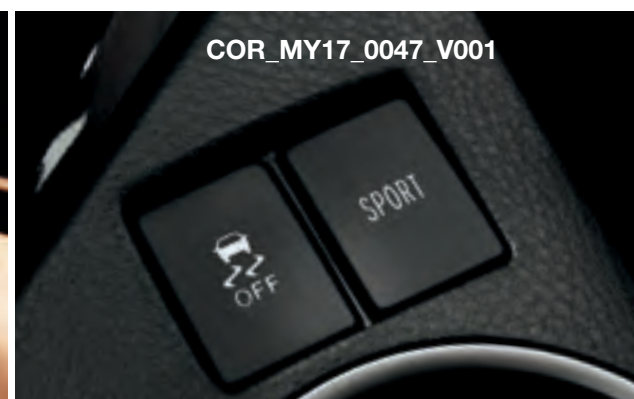

Standard on Corolla SE and XSE, the sport gauge cluster amplifies your drive with an illuminated speedometer and tachometer. With the new color Multi-Information Display, you can see your average mpg, current song selection and more — all at a glance.

COR_MY17_0048_V001

PADDLE SHIFTERS

Available paddle shifters let you shift gears without letting go of the wheel. Just a light touch on either lever gives you lightning-fast gear changes, putting you in total control.

COR_MY17_0047_V001

SPORT DRIVING MODE

More fun at the push of a button. When available Sport Mode is engaged, the Engine Control Unit and simulated shift points are adjusted to give a sportier feel to your drive.

COR_MY17_0028_V001

SE interior shown in Vivid Blue mixed media with available Premium Package.

Safety features designed around you.

The road can be unpredictable. That's why every new Corolla comes standard with Toyota Safety Sense™ P (TSS-P):² This newly developed package of safety features combines a Pre-Collision System¹⁴ with Pedestrian Detection¹⁵ (PCS w/PD), Lane Departure Alert with Steering Assist (LDA w/SA)⁸, Automatic High Beams (AHB)¹⁶ and Dynamic Radar Cruise Control (DRCC)⁹ to assist you. TSS-P's comprehensive features create in-the-moment safety designed to support your awareness and decision-making on the road.

COR_MY17_0029_V001

LE Eco shown in Falcon Gray Metallic with available Premium Package and **XSE** shown in Barcelona Red Metallic. See numbered footnotes in Disclosures section.

TMM_FY17_0011_V001

LANE DEPARTURE ALERT WITH STEERING ASSIST⁸

If an inadvertent lane departure is detected and there are visible lane markings, the standard Lane Departure Alert (LDA) system will issue both an audible alert and visual warning on the MID screen. If the system determines that the driver is not taking corrective steering action, the Steering Assist (SA) function will initiate and provide gentle corrective steering when necessary to help keep the vehicle in the lane.

PRE-COLLISION SYSTEM¹⁴ WITH PEDESTRIAN DETECTION¹⁵

The standard Pre-Collision System with Pedestrian Detection (PCS w/PD) can help you by detecting a pedestrian in certain situations. By combining millimeter-wave radar with a camera capable of shape recognition, the system can alert you with an audible warning and a display notification to a possible collision with a pedestrian under certain circumstances. If you don't react, automatic braking is then given to help prevent a collision from happening.

TMM_FY17_0010_V002

TMM_FY17_0004_V002

DYNAMIC RADAR CRUISE CONTROL⁹

Cruise with more control. Standard Dynamic Radar Cruise Control is designed to keep a preselected following distance between your Corolla and the vehicle traveling in front of you. If that vehicle slows down, so do you — and if it speeds back up or changes lanes, DRCC will help you automatically accelerate back to your set cruising speed.

AUTOMATIC HIGH BEAMS¹⁶

The standard Automatic High Beam (AHB) feature helps enhance visibility when driving at night. The system is designed to detect oncoming vehicles as far away as 2000 feet and, depending on the circumstances, automatically switches the high beams off, making it easier for other drivers on the road, and then switches them on when it clears.

Safety is always in style. So we made it standard.

We believe every journey should be a safe one. That's why every new Corolla comes standard with the Star Safety System™ — our advanced suite of integrated safety technologies that includes Enhanced Vehicle Stability Control (VSC),¹⁷ Traction Control (TRAC), Anti-lock Brake System (ABS), Electronic Brake-force Distribution (EBD), Brake Assist (BA)¹⁸ and Smart Stop Technology® (SST).¹⁹ Adding more peace of mind to your drive is a standard LATCH system to help keep children secure and safe, Whiplash-Injury-Lessening (WIL) front seats,²⁰ and a Tire Pressure Monitor System (TPMS).²¹

COR_MY17_0030_V001

XSE shown in Barcelona Red Metallic.
See numbered footnotes in Disclosures section.

US-CL14-36-A_V001

WHIPLASH-INJURY-LESSENING SEATS²⁰

In addition to its many safety features, Corolla comes with Whiplash-Injury-Lessening (WIL) front seats that can help reduce the severity of whiplash injury in certain rear-end collisions.

AIRBAGS²²

A driver and front passenger Advanced Airbag System, driver and front passenger seat-mounted side airbags, front and rear side curtain airbags, and driver knee and front passenger seat-cushion airbags come standard on Corolla. It's all part of a system designed to help keep you safe.

COR_MY17_0060_V002

TPMS²¹

One of the best ways to improve your vehicle's efficiency and performance is to make sure tires are properly inflated. TPMS is designed to alert the driver if one or more of the tires are critically low.

EFFICIENCY

Design that takes you farther.

Beauty is more than skin deep, especially when it comes to aerodynamics. Corolla's sleek taillights, refined bumpers and flat floor design all add up to an impressive efficiency rating. Enhanced handling and an available shiftless transmission called CVTi-S, with intelligent Valvematic technology, come together to help give Corolla LE Eco an EPA-estimated 40 mpg highway.²³

COR_MY17_0062_V001

LE Eco shown in Falcon Gray Metallic with available Premium Package.
See numbered footnotes in Disclosures section.

TMM_FY17_0002_V002

30^{city} / 40^{hwy}

UP TO AN EST. MPG²³

LE ECO MPG

An advanced ride deserves an advanced powertrain. LE Eco's 140-hp aluminum 1.8-liter engine with Valvematic technology is EPA-estimated at 40 mpg highway.²³ With eight more horsepower than other Corolla models, it offers added fun too.

ECO DRIVING MODE

The ECO Mode button available on Corolla LE Eco eases the gas pedal output and adjusts the air conditioning for enhanced fuel efficiency. Now you can go the distance for a long, long time.

TOYOTA FINANCIAL SERVICES

 Toyota helps you get more out of every dollar you spend. By rewarding you for every purchase you make, the Toyota Rewards Visa[®] adds even more value to doing the things you love. Turn everything you buy into points to redeem toward parts, accessories or an eligible vehicle purchase or lease at your Toyota dealer. Earn 5 points for every \$1 spent at participating Toyota dealers and 1 point for every \$1 spent everywhere else Visa is accepted. Visit www.toyotarewardsvisa.com for complete details. Toyota Financial Services (TFS)¹ is a leading provider of automotive financial services, offering an extensive line of financing plans along with a variety of vehicle and payment protection products to Toyota customers and dealers in the U.S. For more information on TFS products and services, visit www.toyotafinancial.com

¹On approved credit. You must have a valid permanent home address in the 50 United States or the District of Columbia. Terms, conditions and restrictions apply and are fully described in the Toyota Rewards Visa Cardmember Agreement and the Toyota Rewards Program Terms and Conditions received with your card. Points earned are based on net purchases. Points-earning maximums apply and points will expire as described in the Rewards Terms and Conditions. Redemption only available at participating Toyota dealerships in the continental U.S. and Alaska. Points cannot be redeemed for cash. Please contact your participating Toyota dealer for information regarding restrictions your dealer may impose on the use of credit cards related to vehicle purchases or leases. The creditor and issuer of the Toyota Rewards Visa is Toyota Financial Savings Bank. Toyota Financial Services is a service mark used by Toyota Financial Savings Bank. ²Toyota Financial Services is a service mark for Toyota Motor Credit Corporation and Toyota Motor Insurance Services, Inc.

CARS BUILT FOR THE WAY YOU LIVE

At Toyota, we build cars for how you live. From building advanced safety features designed to help prevent crashes to driving cross-country to understand how we can make your driving experience better, our work starts with understanding your needs. Building cars for how you live also means thinking about tomorrow — from fuel efficiency and environmental innovations, to things beyond cars, like a bicycle that you can control with your mind. And because what we learn building cars can help improve lives in other places, we do things like help communities rebuild their homes quickly after a disaster and work with soup kitchens to help them serve more people faster. Toyota. Built for how you live. Together we are going places.

DISCLOSURES

1. Based on cumulative estimates through CY15. 2. Drivers should always be responsible for their own safe driving. Please always pay attention to your surroundings and drive safely. Depending on the conditions of roads, vehicles, weather, etc., the system(s) may not work as intended. See *Owner's Manual* for details. 3. Concentrating on the road should always be your first priority while driving. Do not use the hands-free phone system if it will distract you. The *Bluetooth*[™] word mark and logos are registered trademarks owned by Bluetooth SIG, Inc. and any use of such marks by Toyota is under license. A compatible *Bluetooth*[™]-enabled phone must first be paired. Phone performance depends on software, coverage and carrier. 4. Apps/services vary by phone/carrier; functionality depends on many factors. Select apps use large amounts of data; you are responsible for charges. Apps and services subject to change. See toyota.com/entune for details. 5. Availability and accuracy of the information provided by the navigation system is dependent upon many factors. Use common sense when relying on information provided. Services and programming subject to change. Services may be available from your dealer at an additional cost. See *Owner's Manual* for details. 6. Be sure to obey traffic regulations and maintain awareness of road and traffic conditions at all times. Apps/services vary by phone/carrier; functionality depends on many factors. Select apps use large amounts of data; you are responsible for charges. Apps and services subject to change. Availability and accuracy of the information provided by Scout[®] GPS Link is dependent upon many factors. Use common sense when relying on information provided. Services and programming subject to change. Services not available in every city or roadway. See toyota.com/entune for details. Scout[®] is a registered trademark of Telenav, Inc. 7. The backup camera does not provide a comprehensive view of the rear area of the vehicle. You should also look around outside your vehicle and use your mirrors to confirm rearward clearance. Environmental conditions may limit effectiveness and view may become obscured. See *Owner's Manual* for details. 8. Lane Departure Alert with Steering Assist is designed to read lane markers under certain conditions. It provides a visual and audible alert and slight steering force when lane departure is detected. It is not a collision-avoidance system or a substitute for safe and attentive driving. Effectiveness depends on many factors. See *Owner's Manual* for details. 9. Dynamic Radar Cruise Control is designed to assist the driver and is not a substitute for safe and attentive driving practices. System effectiveness depends on many factors, such as weather, traffic and road conditions. See *Owner's Manual* for details. 10. Advanced voice recognition capabilities vary by head unit. 11. May not be compatible with all mobile phones, MP3/WMA players and like models. 12. iPod[®] and iPhone[®] are registered trademarks of Apple Inc. All rights reserved. 13. The Smart Key System may interfere with some pacemakers or cardiac defibrillators. If you have one of these medical devices, please talk to your doctor to see if you should deactivate this system. 14. The TSS Pre-Collision System is designed to help avoid or reduce the crash speed and damage in certain frontal collisions only. It is not a substitute for safe and attentive driving. System effectiveness depends on many factors, such as speed, driver input and road conditions. See *Owner's Manual* for details. 15. The Pedestrian Detection system is designed to detect a pedestrian ahead of the vehicle, determine if impact is imminent and help reduce impact speed. It is not a substitute for safe and attentive driving. System effectiveness depends on many factors, such as speed, size and position of pedestrians, driver input and weather, light and road conditions. See *Owner's Manual* for details. 16. Automatic High Beams operate at speeds above 25 mph. Factors such as a dirty windshield, weather, lighting and terrain limit effectiveness, requiring the driver to manually operate the high beams. See *Owner's Manual* for details. 17. Vehicle Stability Control is an electronic system designed to help the driver maintain vehicle control under adverse conditions. It is not a substitute for safe driving practices. Factors including speed, road conditions and driver steering input can all affect whether VSC will be effective in preventing a loss of control. See *Owner's Manual* for details. 18. Brake Assist is designed to help the driver take full advantage of the benefits of ABS. It is not a substitute for safe driving practices. Braking effectiveness also depends on proper brake-system maintenance and tire and road conditions. See *Owner's Manual* for details. 19. Smart Stop Technology[®] operates only in the event of certain contemporaneous brake and accelerator pedal applications. When engaged, the system will reduce power to help the brakes bring the vehicle to a stop. Factors including speed, road conditions and driver input can all impact stopping distance. Smart Stop Technology[®] is not a substitute for safe and attentive driving and does not guarantee instant stopping. See *Owner's Manual* for details. 20. Whiplash-Injury-Lessening front seats can help reduce the severity of whiplash injury in certain rear-end collisions. 21. The Toyota Tire Pressure Monitor alerts the driver when tire pressure is critically low. For optimal tire wear and performance, tire pressure should be checked regularly with a gauge; do not rely solely on the monitor system. See *Owner's Manual* for details. 22. All the airbag systems are Supplemental Restraint Systems. All airbags (if installed) are designed to inflate only under certain conditions and in certain types of severe collisions; typically, frontal and knee airbags inflate in frontal collisions, side torso and side curtain airbags inflate in side collisions and roll-sensing curtain airbags inflate at a severe roll angle or roll rate. To decrease the risk of injury from an inflating airbag, always wear seatbelts, sit upright in the middle of the seat as far back as possible and do not lean against the door. Do not put objects in front of an airbag or around the seatback. Do not use a rearward-facing child seat in any front passenger seat. The force of an inflating airbag may cause serious injury or death. See your *Owner's Manual* for further information/warnings. 23. 2017 EPA-estimated 30 city/40 highway/34 combined mpg for Corolla LE Eco. Actual mileage will vary. 24. 2017 EPA-estimated mileage. Actual mileage will vary. 25. Entune[™] is a trademark of Toyota Motor Corporation. Always drive safely, obey traffic laws and focus on the road while driving. Services vary by phone/carrier. Functionality depends on many factors. Services subject to change. For enrollment and more details, see toyota.com/entune. 26. Always drive safely, obey traffic laws and focus on the road while driving. Siri[®] is available only on iPhone[®] 4S or later, iPad[®] with Retina[™] display, iPad mini[™], and iPod touch[®] (5th generation) and requires Internet access. Siri[®] is not available in all languages or all areas, and features vary by area. Some Siri[®] functionality and commands are not accessible in the vehicle. Data charges may apply. See apple.com and phone carrier for details. Siri[®] is a registered trademark of Apple Inc. 27. SiriusXM[®] services require a subscription after 3-month trial period. Subscriptions governed by SiriusXM[®] Customer Agreement available at www.siriusxm.com. If you decide to continue your SiriusXM[®] service at the end of your complimentary trial, the plan you choose will automatically renew and bill at then-current rates until you call 1-866-635-2349 to cancel. Fees and programming subject to change. Available only to those at least 18 years of age in the 48 contiguous United States and D.C. 28. Be sure to obey traffic regulations and maintain awareness of road and traffic conditions at all times. HD Radio[™] Technology manufactured under license from iBiquity Digital Corporation U.S. and Foreign Patents. HD Radio[™] and the HD, HD Radio, and "Arc" logos are proprietary trademarks of iBiquity Digital Corp. 29. Be sure to obey traffic regulations and maintain awareness of road and traffic conditions at all times. Apps/services vary by phone/carrier; functionality depends on many factors. Select apps use large amounts of data; you are responsible for charges. Apps and services subject to change. See toyota.com/entune for details. 30. Extra-cost color. 31. This floor mat was designed specifically for use in your model and model year vehicle and SHOULD NOT be used in any other vehicle. To avoid potential interference with pedal operation, each mat must be secured with fasteners. Do not install a floor mat on top of an existing floor mat. 32. Cargo and load capacity limited by weight and distribution. 33. Interference from structures may affect signal strength. Requires free download of Toyota Key Finder from the iTunes[®] App Store to operate; also find there a list of Mac OS[®] devices. See *Owner's Manual* for details. 34. The Toyota Accessory Warranty will only apply when the installation is performed by a trained Toyota-approved installer. Please see dealer for details.

Toyota strives to build vehicles to match customer interest and thus they typically are built with popular options and option packages. Not all options/packages are available separately and some may not be available in all regions of the country. See toyota.com for information about options/packages commonly available in your area. If you would prefer a vehicle without any or with different options, contact your dealer to check for current availability or the possibility of placing a special order.

Some vehicles are shown with available equipment. Seatbelts should be worn at all times. For details on vehicle specifications, standard features and available equipment in your area, contact your Toyota dealer. A vehicle with particular equipment may not be available at the dealership. Ask your Toyota dealer to help locate a specifically equipped vehicle. All information presented herein is based on data available at the time of printing, is subject to change without notice and pertains specifically to mainland U.S.A. vehicles only. Prototypes shown. Actual production vehicles will vary.

WARRANTIES

Every Toyota Car, Truck and SUV is built to exceptional standards. And that's not idle boasting. We back it up with these Limited Warranty Coverages:
Basic: 36 months/36,000 miles (all components other than normal wear and maintenance items).
Powertrain: 60 months/60,000 miles (engine, transmission/transaxle, drive system, seatbelts and airbags).
Rust-Through: 60 months/unlimited miles (corrosion perforation of sheet metal).
Emissions: Coverages vary under Federal and California regulations. Refer to applicable *Warranty and Maintenance Guide* for details.
Accessories: For Genuine Toyota Accessories purchased at the time of the new vehicle purchase, the Toyota Accessory Warranty coverage is in effect for 36 months/36,000 miles from the vehicle's in-service date, which is the same coverage as the Toyota New Vehicle Limited Warranty.

For Genuine Toyota Accessories purchased after the new vehicle purchase the coverage is 12 months, regardless of mileage, from the date the accessory was installed on the vehicle, or the remainder of any applicable new vehicle warranty, whichever provides greater coverage, with the exception of car covers. Car covers are warranted for 12 months from the date of purchase and do not assume any coverage under the Toyota New Vehicle Limited Warranty. You may be eligible for transportation assistance if it's necessary that your vehicle be kept overnight for repairs covered under warranty. Please see your authorized Toyota dealership for further details. For complete details about Toyota's warranties, please visit www.toyota.com, refer to the applicable *Warranty and Maintenance Guide* or see your Toyota dealer.

FOCUS ON SUSTAINABILITY

Toyota encourages their partners to embrace environmentally responsible business practices. Toyota brochures use paper from well-managed forests, as certified by FSC[®] (Forest Stewardship Council[®]) chain-of-custody guidelines. The electricity used to manufacture this paper was generated by the paper mill's own Green-e[®] certified renewable energy sources. Wind-powered electricity was used to print some brochures through purchased REC (renewable energy credits), also Green-e[®] certified. 10% post-consumer recycled fiber (PCRf) in all Opus sheets products.
